WAC-033 – 3<sup>rd</sup> Ave. S in Surfside Beach. These small streams on the beach are runoff from stormwater ponds. DHEC advises people not to swim in these areas.

# SC's Sampling Stations

South Carolina has 125 sampling stations on 24 beaches. These stations were located in 2002 and have been modified as necessary through the years.

Our state has 3 Region offices

Region designation	Station Numbers	Counties
6 – Waccamaw	WAC-001 to WAC-048	Horry, Georgetown
7 – Trident	TRI-050 to TRI-074	Charleston
8 – Low Country	LC-075 to LC-111	Colleton, Beaufort

DHEC staff in these Region offices take ocean water quality samples between May 15<sup>th</sup> and October 15<sup>th</sup> each year. See our sample results page for a monthly update on water quality or click on [www.earth911.com](http://www.earth911.com) for daily advisories.
